About Us

Orchid Architects Limited, established in 2010, is a premier architecture and interior design firm in Bangladesh. We specialize in delivering customized design solutions for residential, commercial, and corporate clients. Our goal is to create bespoke designs that reflect each client's unique style and practical needs.

Our success stems from a dedicated team known for its hard work, efficiency, honesty, and sincerity. Once clients choose us, they often return for additional projects, a testament to our commitment to excellence.

We offer a comprehensive range of services, including architectural design, interior design, exterior beautification, and the supply of customized furniture and products. We prioritize our clients' requirements and commitments, ensuring satisfaction while adhering to their time frames and budgets. Our flexible and responsive team is always ready to provide tailored solutions to meet each client's specific needs.

Managing Director's Message

Architect
Md. Ashiq Ahmed

“The goal of design is to raise the expectation of what design can be.”

As-Salamu-Alaikum-Wa-Rahmatullah!

By the grace of Almighty Allah, Orchid Architects Ltd. had been established in the year 2010.

It is our great pleasure to inform you that Orchid Architects Ltd. is a remarkable Architects, construction company in Bangladesh. Orchid Architects Ltd has promised to deliver a high standard of products and services for its valued customers with better business norms and ethics. We have own architectural and engineering design team who are competent to make flexible and readily adjustable to any design as per demand of our clients. Our technical team comprises of highly qualified architects, engineers and skilled workers who are create comprehensive experience in design, Fabrication, Erection and construction of any steel and R.C.C works. We are committed to provide world class quality services as well as best quality Interior Work, Building Work, steel structure materials. We can assure that our services will be attractive, durable and energy-efficient. In our design and specification, we always follow international standard and BNBC. Modern design software's are used in our structural design. It is my aspiration and hope that all of our customers, well-wisher, stakeholders, bankers and our employees having been made a friendly relationship each other and it will increase more by our re-ability, professionalism and mutual understanding. Once again, I would like to personally appreciate you for your interest in Orchid Architects Ltd.

Architect Md. Ashiq Ahmed

Chairman's Message

**Architect
Md. Delower Hossain**

**“Designers actually
can change the
world for the better
by making the
complicated simple
and finding beauty
in truth.”**

**(In the name of Allah, the most
Gracious and the most Merciful)**

As we navigate the ever-evolving landscape of the construction & Architectural Industry, Orchid Architects Limited has established a reputation founded on Integrity, Value, Accountability, Quality, and Innovation. These core principles guide us in delivering exceptional value to our clients, allowing us to fulfill our mission: Together Building Value Every Day. Our diverse range of services has proven effective, whether tackling complex projects or simpler tasks.

At this pivotal moment, I want to emphasize our commitment to diversity within our workforce and the markets we serve. By embracing this responsibility, we aim to instill a strong sense of identity and nurture the values that define our company in our clients.

I believe that fostering good and open relationships is essential for successful outcomes. We will remain competitive and continue to lead the construction sector in our region. Reflecting on our journey, we have built a recognizable identity, one that we can be proud of today and in the future.

Our company's journey has shaped us, and we take pride in delivering quality performance that ensures client satisfaction. Upholding our reputation for integrity in the marketplace and providing an ethical work environment for all employees remains our priority.

We are committed to being the industry leader, maintaining our esteemed social standing, and continuously striving for excellence in all that we do.

VISION

By marrying artistic innovation with superior quality and a commitment to sustainability, our firm can redefine luxury in small spaces. This approach not only enhances the client experience but also positions your firm as a leader in the global interior design landscape.

MISION

That sounds like a great initiative! Listening to clients is key to success. Your focus on professional communication will help build trust. It's important to understand their needs well. By working closely with them, you can create a platform that truly serves their goals. Excellent relationships will lead to better designs and outcomes. Keep up the good work!

VALUES

We are dedicated to continually improving our project quality, working methods, and management systems. By investing in our professional staff and fostering creativity and innovation within our specialist disciplines, we aim to ensure ongoing development and excellence in our services."

Management

The firm offers specialized services across various practice areas, supported by a dedicated team of experienced professionals and consultants. Technical and administrative activities are overseen by full-time experts with extensive careers in private sector consultancy. Additionally, the firm fosters strong relationships with professional research organizations and institutions, enabling it to assemble a diverse panel of consultants from various disciplines.
